*FOR
IF
DREAMS
DIE,*

*LIFE IS LIKE A
BROKEN WINGED BIRD*

THAT CANNOT FLY.

Dreams here and abroad that did & didn't come true ...

The Anderson Newspapers carried an article of the ten top 1977 news stories: 1. Severe winter causes natural gas and power shortages, forces plant, office and school shutdown. 2. Spread of international terrorism. 3. New Panama Canal treaty agreed upon, faces ratification fight. 4. Bert Lance resigns under fire as budget director. 5. Elvis Presley dies. 6. Gary Gilmore executed in Utah, ending 10-year moratorium on capital punishment in the United States. 7. Two jetliners collide

at Tenerife airport. 8. Administration evolves a controversial energy policy as U.S. dependence on foreign oil increases. 9. David Berkowitz is captured in New York and charged with the Son of Sam Killings. 10. Tongsun Park identified as lavish spender in South Korean bid to influence Congress; lawmakers under investigation.

Singer Elvis Presley has been honored posthumously with the Distinguished American Award accepted by

his father during half time ceremonies at Liberty Bowl Festivities. Sen. Muriel Humphrey assumed her late husband's duties, but was undecided about running in the special election.

Leon Spinks defeated Muhammad Ali for the heavyweight championship of the world.

Upon hearing of Bing Crosby's death, Bob Hope said sadly, "I just can't get funny tonight. It's just not in me. I'm just too shocked."

David Berkowitz charged with having led a bloody second life as "Son of Sam".

Guy Lombardo, 75, the bandleader whose velvety "Auld Lang Syne" rang in the American New Years.

Groucho Marx, 86, the Marx with the cigar and the leer-jet comic genius.

Freddie Prinze, 22, a TV star at 19 with his Puerto Rican-accented comedy—and a suicide just three years later.

Thanks are meaningless if conveyed by a go-between. Elvis Presley explained this to a surprised disc jockey when he called shortly before his death to express his thanks. Anthony Kiriakis terrorized an Indianapolis businessman over a disputed mortgage.

After a long, courageous fight, Hubert H. Humphrey died of cancer at 65. He was mourned with a display and depth of feeling that few politicians—particularly one who had never been President—have ever aroused.

Ushiba and Strauss discuss monetary matters of a "free-falling" dollar.

Carter and Begin. A blueprint for peace. Begin and Carter at Camp David. Were the Americans defending Israel or its conquests?

Bing Crosby dies at 82. Bert Lance resigns. F.

Queen Alia of Jordan killed in helicopter crash-up. Seattle mourns basketball team.

The robots. See Threepio and Artoo-Detoo help Luke Skywalker battle the meanies in the smash hit movie "Star Wars".

From the song "Dreams" by Fleetwood Mac. Now here I go again, I see the crystal visions-I keep my visions to myself. It's only me who wants to wrap around your dreams and have you any dreams you'd like to sell?

Herman Shuman was surprised to find a ring of 108 toadstools in his barnyard. This is one of the bigger ones. It is eight inches in diameter.

Patti Chapman takes Billy Carter's picture

A snow plow clears the street in front of the school. The snow plow is a John Deere 4400 and was built by the school.

Have you ever just shoveled the driveway and then the snow plow comes past? Brian McFadden found this out when he picks up his dad, Richard McFadden at Guide Division.

Community Activities

Students and faculty members are actively involved in many community activities. Here are some of the highlights.

As a community improvement project, a booklet entitled "Papers for Pendleton People" is currently being distributed. It was typed, published and assembled by Mrs. Robert Wainwright's class.

On the right, our faculty member Bob Nibarger poses with the whole police force.

"I don't mean to rush you, BUT"

Mr. Michael Vetere and his talented cohorts had a busy year participating in football games and community events such as the Lions' Club and Veterans' Day Parades

Snow ruined the plans for their Christmas instrumental planned to include the Middle School. Hopefully, the end of February will find the Jazz Ensemble airing live over WEEM.

Other challenges included a fine arts presentation with the Art & Home Ec. areas setting up a display during the spring concert.

The students participated in county fairs and field contests which are like a state fair, but not on a track-on a football field.

For the first time, the Flag Corps and Majorettes competed in the Noble-ville Auxiliary Contests and were quite successful.

These new accomplishments not only challenged the students involved, but delighted parents, fellow students, faculty members and all who observed.

Silver Bells, Silver Bells, It's Christmas in PHHS

The main hall was the scene of the annual Sunshine Society Christmas Dance held Saturday, December 3.

'Silver Bells' was the theme and was well tied in with the decorations in silver and blue. A highlight of celebrating with "Silver Bells" was a beautifully refinished sleigh provided by Mr. & Mrs. Anthony—it was very special!

The backdrop was of blue with fluffy white snowflakes.

After seeing at least three candles, SSS members could attend the dance without charge.

Dancing was enjoyed by all to the music of "Promise." SSS members provided refreshments to make the night a complete success.

Christy Crosley was crowned Queen of the Christmas Dance and was escorted by Elmer Wilson. The members of her court were: Jobie Frazee (Kevin McCrecklin), Lynn Gray (Tom Hall), Alice Michael (Mike Cannon) and Kathy McCallister (Terry Hensley).

Mrs. Donna Williams and Mrs. Rita Dailey were the sponsors of SSS who helped and assisted this great event.

THE PHHS Pendletones continue as Goodwill Ambassadors as they head their 3rd Annual Christmas Feast on Thursday, December 1 in the cafeteria.

They entertained guests and celebrated the Christmas season beginning with the doxology; continuing with a super meal and ending with a wonderful host of seasonal music.

Lavender, silver and light blue were colors used for the decorations and tied in with the 1977-78 Pendleton outfit colors.

Mr. Sam McKean was director, Mrs. Giering was of great assistance and Sandy Craig was the accompanist.

ANNUAL CHRISTMAS FEAST

Practical experiences in the "World of Business"

The Business Department has had a great year! The constant click, click and ding, ding of all the typewriters, was a familiar sound to all who lingered there.

Different types of business machines were also left exhausted at the year's end by Business Machines' students who were eager to learn their inner-most secrets. They spent their time rotating from machine to machine until they had mastered them all.

For use of all the business people some new machines were acquired. Four new Selectric typewriters joined in the "clicking", a copier machine made copying possible and the new

duplicating machine helped us learn and use our duplicating skills.

Then, of course, there are those shorthand students who have learned a whole new way of writing the English language. Afterwards, they must be able to read what they had written—that's quite a challenge!

Junior Achievement again played an active role in the General Business classes by sponsoring "Project Business." General Motors sent speakers to our classes to help us see the practicality of what we were learning.

The Vocational Information classes learned all they could about jobs from books and visual aids. Then they learned from guest speakers and field

trips to ExCello, Indiana State Employment Service and the Social Security Office.

The highlight of the Consumer Education class was to use their skills in buying furniture, appliances, clothes and gifts—without getting gypped—for a day at the Mounds Mall. Snow caused a delay in the trip, but students found it to be fun and helpful to realistically become a "consumer."

The wonders of learning just never cease here in our Business Department! New techniques and short cuts are taught and learned, as we continue to improve our program each and every day and in each and every way.

Typing I students struggle to watch their textbooks as they learn the keyboard and various techniques and skills. Miss Gaddis teaches the Typing II students to set up and type an attractive Modified Block letter.

Typing II students increase this individual skill and concentrate on business problems.

Using the newly adopted accounting textbook, Mrs. Ritz's class attempts to balance their accounts.

Beth Boram demonstrates an IBM Memory Selectric loaned to us last fall. This modern machine allows information to be stored and played back.

Rennae Mathews, Sindi Coombs, Jill Petry, LouAnn Rogers and Connie Commons show their appreciation for the new trash barrel in the business area. Mr. Dick Moore from Snelling & Snelling speaks to class

Keith Thompson tries to sharpen John Huntziner's finger so he can type better in his Typing I class

Consumer Education students pray before one of Mrs. Phillips' more difficult tests

A Student's Prayer

Now I lay me down to study,
I pray the Lord I won't go nutty
And if I fail to learn this junk,
I pray the Lord I won't flunk.
But if I die don't pity me at all,
Just lay my bones in the study hall.
Tell my teacher I've done my best,
Then pile my books upon my chest
Now I lay me down to rest,
I pray I'll pass tomorrow's test.
If I should die before I wake,
That's one less test I'll have to take

Health and P.E.

The Physical Education Department had some changes this year in that it was the last year for Outdoor Recreation; Individual and Team Sports; and Weight Training as three separate classes. They will be one complete class from now on.

Students received valuable training in the one semester Life Saving class. This certificate would make it possible to earn money as a lifeguard.

Many students participated in the one semester Health class. It was required in that it could only be replaced by two years of Home Economics. They studied health careers and common health problems. They learned to make important decisions when they studied units on drugs, tobacco and alcohol.

First aid information was also a part of the Health class, along with units on emotions and personality; and physical fitness and safety.

Mr. Perry transferred from the Social Studies Department into P.E. this last year.

Physical Education was a very important contribution to our academic education.

These freshmen are getting in shape by jogging in place in this conditioning class. Another point in physical education is pulled into view by this freshman girls class, as they sharpen up on their archery.

You might think this looks like an awful weird basketball game, but it happens daily awaiting the bell.

Gymnastics and rhythmic exercises

The volleyball nets are up and Gary Addison sets up the ball hoping to make a point

McKean's Choirs in Action

Men's Chorus, Concert Choir, and Bonfantes practice for performance concert choir presents "Babe in Arms"

"Creative art interest on the upswing"

The Pendleton Heights artists displayed their work twice this year; once for the fall Open House and again in the spring. The shows were professionally judged and ribbons were awarded to many talented students.

As in the past, we entered the National Scholastic Art Contest held in Indianapolis for this region.

We had a new face in the department—Mrs. Kathy Blazer. She taught

sculpture, Basic Art, ceramics, and Drawing & Design. Ms. Grace Starcke's photography classes enjoyed learning the art of picture taking and developing.

Visiting artists have become an interesting attraction in the Art Department. Artists from different fields have shared their creative techniques and ideas with art classes.

Miss Leila Czarniecki taught an advanced weaving class in which the weavers learned basketry methods, loom techniques, and a variety of textile designs.

The increase in enrollment in the Art Department has shown that the students have become more aware of their creative abilities and are developing their talents in various areas.

In making a belt buckle Roger Yattaw uses the "piercing" project.

Shannon Porter making a pendant for her project in jewelry class.

Kathy Blazer talks to her Drawing and Design class.

Leila Czarniecki shows Joy Boram and Katie Bryant how to cut metal for sterling inlaid bands.

Communications: Hoofprint ... WEEM ... Scimitar

The HOOFPRI^T has been meant to be the voice of the students. The staff members used their skills in writing, photography, layout, and design. While voicing student opinion, the staff also better prepared themselves for journalistic futures.

Mrs. Rhule said the staff had seven students who attended Ball State University workshops last summer and their training was invaluable in training other students.

The paper was printed totally through the Graphic Arts classes and HOOFPRI^T went to a four-page, every two week issue.

WEEM has done many unusual things for a high school radio station. They extended their hours of opera-

tion and were even on the air for many hours of the terrible snow days we had. During the Thanksgiving and Christmas holidays, they also remained on the air.

Mr. Bob Nibarger stated WEEM had full stereo production facilities. He and the staff have talked about 12-month operations.

WEEM participated in the June Jamboree which always is a big event in the Pendleton area. Among their other many events was the broadcasting of the 1977 Homecoming Game.

Another communications that PHHS had the benefit of was the news bureau which collected and disseminated school and community news

of all kind.

Through words and pictures the SCIMITAR again tried to overcome the snow barrier to record the memories of the 1977-78 school year.

Ms. Grace Starcke became the assistant advisor to Mrs. Phillips and worked with the photography staff for picture improvement and originality.

The staff learned to sell ads, picture and yearbook; supervise group pictures; organize what goes on each of the 208 pages and struggle with layouts including pictures, copy, headlines and identifications. We all learned to work as an actual business.

We truly hope this SCIMITAR will be a treasure to you for many years to come.

Grace Starcke filmed by her photography class is Assistant Yearbook advisor while Imy Rhule encourages students in Hoofprint to learn journalism skills.

Jon Hartley decides which records to play next as Brian McFadden mixes chemicals to develop film.

Education for living

Home Economics classes are designed for students to get ready to be good homemakers. Learning to sew, cook and keep house are all important.

This was the year for all Home Ec. classes to adopt new textbooks. The content was more current and interesting.

In Home Ec. I, the main emphasis was on interpersonal relations and consumer education.

Foods and nutrition was a second class to Home Ec. I. They learned to work with yeast breads and make pies. Students then go on to Advanced Foods and learn such skills as freezing and canning foods.

The Child Development class of Juniors and Seniors designed and held a play school for community preschool-age children.

Mrs. Flatt taught her Family Health class about home care of the sick.

The Single Living class studied a unit on housing. They also did some sewing, mending, and studied the four basic food groups.

Tina Smith works diligently on her quilting project in Home Ec I.

Learning to wash pots and pans in Home Ec. I. It's a lot of fun. (?)

Tim Young cooks and cans at least while canning in his Bachelor Living class.

Freshmen study different techniques of being a homemaker while Juniors and Seniors assist young children in their "Play School."

Here's Bachelor Living and Play School experiences

Is an experience of men being in the kitchen now such a tremendous joy?

Start of 1915 - a day in the life of a young man

Tim Stone uses the sewing machine - proceeds of the program in Home Economics with care and ease.

Young men care to learn kitchen appliances in their unit on cooking

PHHS has language skills and language drills

Mrs. Williams English class anxiously watches the huge snow flakes during the heavy snow fall.

Death class is dying to go on a field trip

Mrs. Klakamp's sophomore class improves English skills. Christy Crisley and a friend study in English class.

College grammar class entertains a new student, Danny

Leanne Riggs talks to her classmates. Mrs. Gray gives herself a hand

The English teachers spent much of the year deciding on book adoptions for next year. They also changed their program to have required writing phase for the seniors and grammar phase for the juniors.

There was a corporation-wide stress placed on English skills: reading, writing, and speaking.

Some students entered into the Ball State University Achievement Day.

Bob Broschart and Gordon Bulen won the Madison County Soil and Water Conservation Public Speaking Contest. The subject was "Sediment and Water Quality—What Can We Do to Solve This Problem in Indiana."

The students in Mrs. Shepard's area learned reading skills. They were tested and then an individualized instructional program was set up for them.

These English students have been studying Julius Caesar and Romeo and Juliet, two well-known Shakespearean plays. Mrs. Harris' Mystery and Suspense class works on a reading assignment. Mrs. Sporinsky's class views a model of the London Globe Theater.

Science mysteries fill us with intriguing knowledge.

Students in the Science Department are learning concepts.

Scientific instruments were used to learn many things this year.

The new color TV and video tape recorder were used to test beginning biology students over the dissection of animals.

The phase contrast microscope was a valuable learning experience in that it allowed students to study visual organisms without using stain which kills them.

In advanced biology they used the electrophoresis which separates molecules using electric current.

Laura Nelson and Willie Anderson went to Ball State University with Mr. Ashburn to work with an electron microscope to study viruses.

Biology classes used an ultra speed centrifuge which separates material according to weight.

Deep from within Mr. Carrico and Scott's experiment for the class.

Jim Lamb looks into the microscope as he and Mike Travis study euglena. Mr. Carrico conducts a lecture.

Laura Nelson and Willie Anderson inoculate bacteria. Mr. Carrico glances out of his Basic Science class.

Scott Keller and Gary Gustin work diligently on dissecting their clams.

Neil Wisler and Kenny Wolfgang hold molecular models used as learning devices in science classes.

Neil Wisler and Kenny Wolfgang hold molecular models used as learning devices in science classes.

Neil Wisler and Kenny Wolfgang hold molecular models used as learning devices in science classes.

Neil Wisler and Kenny Wolfgang hold molecular models used as learning devices in science classes.

INTENSIVE OFFICE

1977-78 was a big year for Mrs. Wy-nant and the Intensive Office lab girls. All the lab girls were members of O E A. (Office Education Association) and took part in many fun activities. They started the year off with a weiner roast followed by a Halloween Hayride, a Christmas party and a dinner at Hagarstown. They also held their annual Best Bod contest crown-ing Pat Cauley "Best Bod 1977."

But it was not all fun. The girls were as busy as ever learning to oper-ate several new pieces of equipment such as a new copying machine, a spirit duplicator and dictaphones.

They went on field trips to several downtown Pendleton businesses as well as large establishments such as Merrill Lynch in Indianapolis

Those placing in the top three at the District OEA contest were: Tracy Fer-ris, Chris Crosley, MariAnn Kidwell, Ginger Sheets, Kelly Flanigan, Becky Losey and Jobie Frazee. They then went on to the State OEA contest.

Intent on her job of typing for the day is Charlotte Madwell

Some of the girls get together on a break to hear the latest gossip

For a change of pace, the lab was visited by a representative from Clark Business College

Becky Losey as supplies clerk, works hard to keep up with the other hard workers in the lab

LAB

Mar Kozwell continues to perfect her job by using the trainer gun.

Correct application of make-up is an important part of the way that come across to others. A make-up analysis attempts to teach the girls the correct way to apply their make-up.

Tracy Harris keeps busy as office manager of the lab.

Here's a look at a typical day in the Intensive Office Lab where everyone is working on their own project.

FOREIGN LANGUAGE

Foreign Language plays an important part in our school curriculum and P.H.H.S. has one of the best departments there is. The students taking a foreign language get to decide whether to be in the club that each language has. The three foreign language clubs are the most active clubs in the school. Some of the different activities that the clubs have are: Bake sales, paper drives, visits to restaurants and different cultural functions, raffles, pinata sales, an October Fest, and all the clubs participate in the International Night.

The different foreign language classes also provide a variety of learning methods. the students must participate in class more, practice speaking in class and also in the lab, they give demonstrations on preparing different types of food, and films, filmstrips, and slides are shown to improve the students knowledge of that culture.

The Foreign Language classes are in session

Germany (left) gives the meeting members with the money making take sale

Miss Apple reads some valentines.

Larry Rodecap gets figity in history taught by student teacher, Mary Parker.

World History students enjoy their new teacher, Mr. Dunham

STUDYING THE
PAST ...
LEARNING FOR THE
FUTURE.

MATH IS NOT A SPECTATOR SPORT

The Math Department has spent another whole year causing problems for PHHS students, not to mention the adding and subtracting or the more advanced logarithm.

The presence of Mr. Terry Fox this year was a definite asset. As the newest math teacher, he taught classes ranging from General Mathematic Skills to Algebra II.

There was, as usual, a wide variety of teaching methods. For example, Mr. Moulder brought in a new improvement to his Algebra II class with his overhead projector and WINDEX—it cleared up a few figures!

Games helped speed along some slow moving areas and also helped to get the point across. Mr. Rhoades Basic Math class had "game day". Some of the games they played were: Pay

Day, Math Bowl, King Oil, and several kinds of crossnumber puzzles.

Mr. Noggle's students developed construction notebooks. They then drew up house plans in Geometry class. They were also able to go through some new homes and some that were under construction in the community.

Mr. Terry Johns turned his whole room into a unit circle (on the ceiling) to aid in learning Trigonometry functions of sine, cosine and tangent.

Most of the classes learned to use calculators—of their own and the schools.

Each room obtained new movie screens and overhead projectors. The office gained a new duplicating machine.

In Mr. Moulder's Algebra II class, students work on problems.

In Mr. Noggle's class, students write their solutions on the board for the class to check their answers.

Halloween sets the stage for the display case in the mathematics area.

In Plain Geometry, students prepare to turn in their Pythagorean Theorem test papers.

Students work with the teacher at their desks.

Mr. Fox uses the overhead projector to show the class.

Mr. Fox is the right place for the class. Mr. Fox is the right place for the class.

Mr. Fox is the right place for the class.

Mr. Fox is the right place for the class.

Jody Morrow tries to repair a radio recorder as Scott Sharkey, Tom Waters, and Latice Carter look on and supervise.

INDUSTRIAL ARTS

Tom Waters and Latice Carter make their adjustments at an electronic unit.

Tiff Seaman and Dan Brown work on a printing machine while Dave Goodwin, Herschel Grass and Tim Sager are setting type.

Ed Barker cuts a metal piece with the hand saw while Mr. Shelby is planing a board.

Steve Cox is cutting a dado on a radial arm saw as Mr. Shelby supervises the project.

Elementary Ind. Arts was designed to familiarize the student with proper use of hand tools, operations, safety and basic concepts. The six sections rotated areas and instructors.

Elementary drafting students had experiences in equipment usage, lettering, geometric construction, orthographic projection and pictorial drawings. This course led into Architectural Design which develops skills in residential architecture.

Advanced drafting gave vocational preparation with experiences in threaded fasteners, sectioning, revolutions, auxiliaries, cams and gears.

A thorough operational knowledge of all wood working machines was gained in Wood Tech. and included areas in design, hand & machine tools, wood framing & finishing, furniture construction, and carpentry.

Elementary Printing introduced the history of printing, the printer's system of measurements, print shop safety, the Calif. job case, material, paper and letterpress printing.

Another important course taught photo-offset printing and photography.

Dan Wood works intensively on drafting plans for construction of a house.

Danny Wilson and Randy Ritchie are making a plug cutter on a metal lathe.

Kerry Tranbarger sets up a surface grinder to square a piece of metal.

The basic course in Vocational Agriculture planned to acquaint students with the occupational opportunities in agriculture.

In Livestock Production and Management the emphasis was placed on selection, breeding, feeding, disease and insect problems and marketing. Field and shop study were both included in the course.

Jim Deshong, Cary McKenzie, Jeff Mock and Tim Cox won the area poultry contest and went on to the

state contest.

Two dairy judging teams from P.H.H.S. went to Madison County Dairy Judging. Our teams won first and second place. They competed against teams from Highland, Lapel, and Frankton. Members of the first place team were Steve Grantham, Steve Stoops, Gary Hoover, and Mike Beaty. Second place winners were Mark Duncan, Tim Lawyer, Mike Stephenson, and Roger Sharritt.

Steve Grantham won the area dairy

contest held in Richmond and went on to the state contest.

The mechanics class was offered for the student who had a definite desire to become a master farm mechanic or machinery dealer.

Agr. Science & Business Management worked with organization, law, layout, accounting, credit and proper enterprise selection.

All students enrolled in any Vocational Agriculture course was automatically a member of the F.F.A.

Vocational Agriculture At PHHS

Vo Ag Grain Show—Sponsored by Pendleton Lions Club—Harold Berry, Co Extension Agent—Guest Speaker

The Agr Mechanics Shop works on Tractors & Trucks. In the most difficult, Mr. Wolf reaches in to get a part from the engine.

Another view of the Agr Mechanics Shop & Mike I. Wolf, the owner, working on the tools.

Steve Stoops, the Mike I. Wolf, the owner, working on the tools.

The "Fix-up Shop" earns while doing and helps us!

People in the community set-up appointments to have repair done and the auto mechanics worked on their own cars.

These Juniors and Seniors must apply for the 2nd hour class and 15 were chosen per class. They pay a fee and use the school's tools.

One-third of their time was spent on textbook material. The pick-up trucks were the largest vehicle they worked on.

The year was begun with Mr. Robert Staup who left us to go to a position with Chrysler Corp. in California February 6 Mr. Wm. E. Sharp began working with the class. He had previously spent three years at the North Central Career Center and eight years at Tech High in Indianapolis. He has a conditional-provisional license and every four years must return to school for more training.

Gary Birch, Bobby Cox, Roger Goodman and Marco Rodriguez put in rebuilt engines.

Don Paulie tests the steering system of a dirt buggy. Thompson and Robert LaFortune check some power steering lines.

BUILDING TRADES COMES THROUGH AGAIN!

The family room is being plastered by Mr. Meyer.

Beginning with just a lot, the Vocational Building Trades class built a house to its completion. (except plaster, masonry, & excavating) It is located at 600 South and Ridge Rd. and is owned by Mr. Joe Meyer.

Mr. Meyer and Mr. Paul Umberger worked together on designing the plans. The home is three bedroom using the "open planning" concept. One of its many fine features is a large fireplace - the entire wall at the end of the family room. The outside is an antique (River Stix) brick with Reverse Board and Batten siding.

The class worked through the coldest weather and only missed the days when we were off school for snow days. They attended classes at school in the mornings and worked during the afternoon hours.

These are the senior boys who have participated in this program for the last two years: Chuck Sabo, Tom Hall, Dan Stanley, and Pat Cauley. These junior boys will work another year in this area: Dan Owens, Tim Leitner, Kevin Murphy, Mark Bankson, Dale Woodhouse, Kevin Lawson, Mark Sloan, Mike Wallace, Jim DeShon

Off come the shirts as these boys take advantage of the warm weather.

The house looks nice even without the brick. Just trying to get it together before class.

Birch Bayh addresses PHHS Ninth Commencement

As the band began to play "Pomp and Circumstance" the halls, full of anxious seniors began filing into the gym. The class of '78 shared mixed emotions as they took their seats on May 23, 1978.

Class President, Paul Hadley presented the invocation and introduced U.S. Senator Birch Bayh as the guest speaker. Bayh used as his theme the rights, responsibilities and opportunities facing each individual of the 282-member graduating class.

Senator Bayh said "The role of an American citizen is not just to go along. You must stand up and speak for what is right." "I encourage you to not let government tell the individual what to do, but to let the individual

tell the government what to do."

He also told the students that an individual's faith in himself and his willingness to apply himself were of major significance.

Valedictorian Sang Choi and Salutatorian Laura Nelson were recognized. They had given their messages on senior awards day. Sang spoke on the completion of their first major stage of their lives. He felt the future was up to them and they must map the path for future generations.

Laura used the class motto: "What lies behind you and what lies before you are tiny matters compared to what lies within you." She mentioned that the class as freshmen had had the winning float; as sophomores they had

sold magazines and "Rex", as juniors their big project was the prom; and as seniors they won the sectional hall decoration contest.

Superintendent Earl Coursert read the names of previous graduates, and class sponsor—Tom Childress gave recognition of the major awards received by the senior class.

Finally the moment all the seniors had waited for, arrived. Each student was presented with their diploma and a yellow rose.

A candlelight ceremony and a solo by Nora Gustin, accompanied by Sandy Craig concluded the ceremony. The class of '78 then rushed out of the gym to celebrate their many accomplishments and commencement.

Sen. Birch Bayh addressed seniors who as individuals hold key to future. Bayh spoke to an overflow commencement audience in the high school gymnasium on May 23, 1978.

Drama 2

Flip (Alice Michael) begs Pudgy (Eric Peters) to stay as Charity (Christy Bobo) tries to get his autograph

Annabelle (Dawn Philbert) and Zerk (Tom Brown) do their thing, and M K (Kim Woodhouse) makes a snide remark to Gert (Becky Losey)

"It Happens Every Summer"

The first semester Drama II class presented "It Happens Every Summer" on January 4th and 5th in the pit. The play revolved around eight college girls who entered an editing contest and won a month in New York to work for Debutante Magazine. They each became involved in strange experiences, romances and hilarious situations. Mrs. Sporinski did a great job directing the play, with the help of student director Julie White and student secretary, Cindy Kosmicki. Members of the Cast were: Leigh Boram, Terry Coombs, Nicki Sparling, Becky Losey,

Dawn Philbert, Alice Michael, Eric Peters, Tom Brown, Kim Woodhouse, Regina Harvey, Jeanne Sottong, Steve Wildman, Patty Perry, Perian Johnson, Christy Bobo, Ginger Dittlinger, Debbie Rich, Becky Neal, Nancie King, Teresa Coleman, DeOnn Norris, Beth Fuller, Kim Watson.

The long hours of rehearsal were well worth it for these drama students. To them the play was much more than merely memorizing lines. It was a fun and challenging experience that paid off well on closing night.

Mrs. Woodroff (Nicki Sparling) gives motherly advice to Tod (Terry Coombs) and Jennifer (Leigh Boram)

Tod (Terry Coombs) teases Gert (Becky Losey); Mrs. Sporinski receives roses on closing night

Presents

Mark Beagle, Scott Craig, and Maxine Brown rehearse a scene.

Sandy Craig speaks dramatically to Tim Fesler during a final rehearsal.

You Were Born on a Rotten Day

The second semester of the Drama II class was to have presented the play, "You Were Born on a Rotten Day", in May. However, due to illness the thespians were unable to perform.

The play was an unusual story. It concerned a young, frustrated physics instructor's attempt to teach his students *astronomy* instead of *astrology*, but the kids were so hung up on *horoscopes* that they could not separate astrology from astronomy!

The play was directed by Mrs. Susan Sporinsky. The cast picture can be found on page 111.

Hands clap, creating excitement at a pep session.

Arabian Pride: Fall Sports

Records for the volleyball teams were Varsity 16 and 8, Junior Varsity 9 and 8. The sectional was won by defeating four teams. At the semi-state round of the regional the girls were defeated. The coach was Mrs. Mary Ruth Farthing.

Records for the cross country teams were Varsity 12 and 8, Reserve 10 and 1. Thirteen guys entered and ended up third in the conference. The Reserves were Yorktown Invitational champs and set two new school records for PHHS. The coaches were Mr. Larry Storer and Mr. LeChare, Thompson.

Records for the football teams were Varsity 8 and 2, Reserve 4 and 4, Freshman 1 and 1. The 1977 Arabians were successful because of their hard work and dedication, but most of all because of the five seniors who led the team by their example on and off the field.

Thirty letters were given to the Arabian football men which they represented both Power and Pride.

The reserve football team made a record 8 victories in football. The coach was Mr. Larry Storer. The reserve volleyball team won the sectional championship. The coach was Mrs. Mary Ruth Farthing.

Arabian squad extends longest winning streak ever!

Well, after losing 16 seniors from last year, the Arabian fans didn't know what to expect, but after the Greenfield Jam-boree we knew our Arabians were better than ever.

The 1977 Arabian squad extended the longest winning streak in Arabian History. A streak of 14 games on the way to an 8-2 season. This year's squad was billed by many as a team that could go only 6-4 at the best, but our Arabians rose to the occasion time after time to pull out victories.

Alexandria and Highland were both tough competition. We were undefeated until we came up against Elwood. Both had about equally good playing ability, but luck was on their side. The last game was a very disappointing experience because we lost to Lafayette in the last few minutes on account of penalties. Overall, the Arabians played their best and did a super job.

Next year the team will be playing in the Classic Six Conference and Mr. Broughton feels the over-all key to success is senior leadership. Mr. Broughton feels we will have a good team because we will have some great seniors.

Winning Sectional highlights volleyball season

The volleyball team records were Varsity 16-8 and Junior Varsity 9-8. They were third in conference standing.

The top servers: Dawn Schmitt & Sandie Layton; top offensive players: Dawn Schmitt, Kim Woodhouse & Lynn Gray; and the top defensive players: Dawn Schmitt, Lynn Gray & Kim Woodhouse.

Dawn Schmitt, Lynn Gray and Sandie Layton made all conference.

Dawn Schmitt was captain and Lynn Gray was Most Valuable Player.

They won the sectional by defeating four teams and were defeated in the semi-final round of the regional.

PHHS Racketmen have a strong ending to their season

The Varsity Tennis Team, at one time early in the season was 1 and 6. They won a good string in the end to finish strong. Their record was 9 and 9.

The record for the Reserve Tennis Team was 9 and 7. Both teams were coached by Mr. Randy Steele.

Mark Woods was the Captain this year. The Most Valuable Player was Tom Craig.

Coach Steele said there was a good team effort all season. Many of the players were equal in ability. The team lost only two members, so next year looks good.

The winter of '77 through the summer of '78 was filled with practice to improve skills for a successful season in 1978.

In the Classic Six Conference the Varsity team won two matches and lost three. They placed 4th out of six teams in the conference.

Sectional match scores were: Madison Heights three to two and against Anderson zero to five.

Varsity 3rd in conference—reserves set new records

This year the Cross Country men could boast 13 lettermen. The varsity team had a record of 12 and 8, while the reserves' record was 19 and 1.

They were third in conference standing. Dave Donlan was one of the top ten individuals and was listed on the all conference team.

Tony Leitner was team captain and Dave Donlan was voted as Most Valuable Runner.

The reserves were Yorktown Invitational champs.

Coach Stoner felt we had a very young team as they relied mainly on freshmen and sophomores. Stoner said, "We are looking forward to next year."

The reserves were coached by Richard Thompson. They set two new school records: most consecutive wins (18) by a reserve team and best records of reserve team in the history of PHHS.

Runners get ready and set to go.

Max Gaudin sports one of his own stunts.

With muscles flexed, Arabian runner pursue victory.

Freshmen Pat Caldwell, shows sportsmanship before the meet.

Keen Lawson and Lance Tavor are "Number One!"

Pat Caldwell uses up very lot of energy in his event.

Girls Splash to First Winning Season!

The Girl's Swim Team, coached by Annie Craig, splashed to their first winning season in PHHS history. The team also won it's first trophy for the school—the runner-up trophy at the Yorktown relays, and being the first meet of the season, that got the team off to an excellent start. Only three of the eleven school records went unbroken this year. Those records that were broken are:

200 medley relay of Alice Michael, Do-

lores Schug, Veronica Cauley, & Jill Petry

200 Freestyle—Andi Rogers, 2:11.46

50 Freestyle—Veronica Cauley, 27.18

100 Butterfly—Veronica Cauley, 1:12.3

100 Freestyle—Kay McGee, 6:11.8

100 Breaststroke—Dolores Schug, 1:19.7

400 Freestyle relay of Jill Petry, Tammy Baker, Veronica Cauley, & Andi Rogers

The girls started the new Class C Athletic Conference in good style, coming in second. Veronica Cauley was a conference champ in the 50 freestyle. The team came in seventh in the sectional which was held at our school. Unfortunately the diving well was being repaired during most of the season, costing the girls points in several meets. MVP was Andi Rogers and team captain was Alice Michael.

GIRL'S SWIM TEAM Front Row: Audrey Walters, Carole Curtis, JoDene Stohler, Steffanie Curtis, Tammy Baker, Jill Petry, Veronica Cauley, Andi Rogers, Kay McGee, Dolores Schug, Sarah Mowell, Cindy Mowell, Jill Petry, Alice Michael

State in 78

The 1978 aquamen had a season to be proud of. Their hard work in practice paid off as five swimmers advanced to the state meet. Hershel Glass, John Saczawa, Dave Allen and Craig Torrence qualified in the 400 freestyle relay. Diver Tom Craig qualified for the state met by placing second at the sectional, but was unable to compete due to an injury.

The tankmen won the Yorktown relays, the Greenfield Invitational, and finished first in the Classic Athletic Conference, making them a triple crown team!

The team also moved up two places from last year to place second in the Anderson Sectional. This was the best PHHS had ever done at sectional.

The season, as a whole had it's high and low points. Losing only two meets, their record is outstanding. However the team felt they may have won those meets had they been a little more confident.

The swimmers should be recognized for their great season, especially since the world seemed to be against them. The diving well had it's problems during the year making diving practice impossible at the beginning of the season. And of course there was the snow. Missing practices a week at a time is not a good training program, but the team stuck it out and proved themselves capable. Their constant work on the weights helped them stay in shape and the addition of new weight equipment helped tremendously during the season.

Warming up before the sectional is vital to these swimmers

Swimmers prepare for the race ahead

Tom adjusts the diving board

Fred shows concern for a teammate

Sprints are a part of warming up

GIRLS' GYMNASTICS 1977-78

Season records this year for Girls' Gymnastics were: Beginning Team 5-0; Intermediate Team 5-0; and Optional Team 3-2

Chris Crosby was the Most Valuable Gymnast this past season

Both the Beginning and Intermediate teams won sectional. Kim Meloberts took 1st on bars, Lori Dunwiddie took 2nd on floor exercise and 1st on bars, vault, beam and all-around at beginning level.

Donna Stephenson was intermediate sectional champ on the uneven bars while Jane Stelter won 1st on vault, beam and floor.

In Regional Competition, Lori Dunwiddie placed 4th on bars, 3rd on vault, 1st on floor, 1st on beam, and 1st in all-around. Jane Stelter won 1st on the intermediate floor exercise.

At the State level, Lori placed 6th in the all-around, 5th on floor, and 3rd on vault. Jane Stelter took 2nd in the floor competition.

The team finished with a well earned 5-0 and captured the first Classic Athletic Conference title as Champs.

Mrs. Thommen gives last minute tips to her sectional girls

IHSAA dropped Beginning team from tournament competition.

The challenge this season in wrestling was building and improving techniques.

Mr. Jeff Webster completed his first year as our new head coach. Mr. Tom Dunham was the assistant. It was also his first year.

The reserves and freshmen wrestling teams had a winning year, and ended their seasons undefeated. For them the hard practice and not eating were worth it! The wrestlers spent quite a bit of their spare time in a hot, little room trying to perfect their techniques.

Next year we will be getting back eleven of the thirteen varsity wrestlers, and we should start out with a more experienced team.

Seniors Pat Gamm, Greg Mitchell and Charbe Fish and warm-ups.

Tom Kennedy using a good leg ride to win his match.

Senior Charbe Fish is setting up for a "take down" against his Muncie South opponent.

SPRING SPORTS

Best season ever!

Highlights of the season were: 10-0 victories over Anderson and Muncie South; back-to-back one-hitters by Tim Stone over Eastern Hancock & Yorktown; Darrell Slack's 3-hit victory over Lawrence North which pushed the Arabians into the state's top 20 rated teams—reached as high as 15th in the polls before finishing as the 18th rated team in the state; winning the sectional for the 1st time in the school's history with wins over Eastern Hancock 14-6, New Palestine 11-6, & Morristown 5-2. Terry Sherrett hit 4 homeruns & drove in 10 runs in a doubleheader against Anderson. Terry Coombs, Jeff Mathison, & Darrell Slack made All Conference, & Ron Hathcoat, Bill Kennedy, & Terry Sherrett received honorable mention.

VARSITY BASEBALL Front Row: Kim Thompson, Steve Linton, Jeff Mathison, Eric Hoffman, Ron Hathcoat, Terry Sherrett, Bill Kennedy, Charles Felt. Row 2: Coach Stahl, Tim Stone, Mike Bond, Terry Coombs, Darrell Slack, Eric Hatley, Donn Martin, Kevin Hoffmann, Steve Jones.

GIRLS' TENNIS

The team finished 8-6 for the season. They tied with Jay County for the conference title by being 4-1 in the conference

Experience was the key and after a few first matches the team used their experience to win 6 of the last 7 matches. Lynn Gray played #1 singles and Sherry Kuklenski & Tana Armstrong played #1 doubles. Jodi was voted the MVP. Lynn Gray received the Spirit Booster Award.

A memorable highlight of the season was the victory over Jay County, one needed for the conference title. Varsity letter winners were Gray, Lineberry, Schmitt, Belcher, Caughey, Armstrong, Kuklenski, Blackwell and Stecher

Tammy Blackwell aims her racket at Kim Keown while Linda Kyhnell and Renee Shaver pair up for doubles practice

Kathy Kline prepares for a forehand shot.

All Conference team members from PHHS were announced May 30 to be: Lynn Gray, Sherry Kuklenski and Tana Armstrong

The best records on the team were: Jodi Belcher won 8 and lost 5 singles

matches; while Tana Armstrong and Sherry Kuklenski won 8 and lost 5 doubles matches

Coach Joyce Gaddis commented that of the 9 varsity players this year, only

4 were returning letter winners from the previous year. As the season progressed, the team gained valuable experience which enabled it to win 6 out of the last 7 matches on the schedule!

Golfers swing!

The golf team's record was 6-9 and they tied for 3rd in the conference.

Tom Craig was team captain and also Most Valuable Player. He tied for low medalist in the sectional with a score of 72. He also qualified for the regional.

Lettermen this year were Tom Craig, Wes Ledbetter, Tim Sears, Todd Forns, Kerry McFadden, Kevin Murphy, Brian Hamilton and Adam Ryan.

Those who received a participation award were: Kevin Biesser, Brett Jones, Joe Route and Bill Rankin.

Adam Ryan chips to the green, hoping for a score of par for the hole.

Wes Ledbetter concentrates on a putt.

GIRLS UNDEFEATED—Conference Champions.

The PHHS Girls' Track Team had an undefeated season, were C.A.C. champs and fifth in the sectional. First reserve team ended season 1-1. First in history of PHHS' Girls' track: Lou Ann Rogers on hurdles and Kim Woodhouse on long jump—Great going girls!

Team captains were Kim Woodhouse and Teresa Savage. The Most Valuable Player was Sindi Coombs. Many firsts in the school's history were set. The sectional champ was Lou Ann Rogers in hurdles competition. Amy Boram in the 440 race and Sindi

Coombs in hurdles also qualified for regional competition. Coaches Mrs. Imy Rhule and Mr. John Roades commented that they had a young team with only one senior. The team had fantastically great spirit!

GIRLS VARSITY TRACK TEAM. Back row: Mrs. Rhule, Coach McCallister, Teresa Savage, Amy Boram, Lou Ann Rogers, Sindi Coombs, Kim Woodhouse, Coach Mr. Roades. Middle row: Tracy Holloway, Monica Chezem, Kim Woodhouse, Joy Boram, Sindi Coombs, Kim Woodhouse, Teresa Stone, Cathy Bever, Loretta Farnham. Front row: Sherry Shell, Manager, Dawn Schimmel, Nancy Clashman, Treva Stone, Maria Wallace, Teresa Stone, Cathy Bever.

Back row: Loretta Farnham, Terri Huffman, Cathy Bever, Loretta Farnham, Debbie Stanley, Sindi Coombs—Manager, Amy & Anita Saxon, Debbie Chandler, Loretta Farnham, Sheila Saunders, Tracy Holloway, Monica Chezem, Kim Woodhouse, Joy Boram.

Quill and Scroll, the International Honorary Society for High School Journalists, encourages and rewards individual student achievement in journalism and school publications. Students must be a junior or senior in the upper third of their class in general scholastic standing and have done superior work in some phase of journalism or school publications.

The original chapter was established in 1955 at Pendleton Heights High School under the sponsorship of Mrs. Nancy Wynant. Mrs. Marcia Klakamp started the journalism program at Pendleton Heights and sponsored Quill and Scroll until last year when Mrs. Rhule took over the responsibilities.

Each spring the society inducts new eligible members.

WHEAT RIVER JUNIOR HIGH SCHOOL ART TEAM. From Left to Right: Tracy DeLoach, Emily Anderson, Ashley Miller, Mary Miller, Cary Messersmith, Sarah DeLoach, Hannah Peterson, and Kaitlyn Anderson. Dir. Todd Peterson. The Team is a member of the SWA and the NWCA. Sponsor: Julie Stohler, Mari Ann K. and Nancy K. Anderson.

PHHS students participate in community activities.

JUNIOR ACHIEVEMENT *Front Row* Shannon Wallace, Karen Reeve *Row 2* Charley Collins, Martin Hawkins, Gary Bush

Among the 4-H groups this year were Odds and Ends, Happiness Spreaders, Pendleton Livestock, Bit and Briddle, Country Sunshine, and F.A. Creek "All Others."

Many adults in the Madison County area worked with these 4-H groups this year.

This year the 4-H groups met at each others homes. There was a variety of projects to work on ranging from the a in animals to the workworking.

Many went to and enter events in the Madison County Fair in Alexandria. Those who wanted to, entered their projects in the State fair in Indianapolis.

Campus Life which is the East Central Indiana Youth for Christ had no membership in that, anybody can come to any of the meetings which are held in students homes. Twice weekly, Cal Bloom and John Davey came to our cafeteria to rap with students. Activities included a Florida trip over spring vacation, ski trips an all-night party at the Y.M.C.A. and a Mud Bowl which is like a Lil Abner Day. Campus Life helped to develop a balance of life; physical,

mental, social and spiritual.

The Junior Achievement program provided economic education by the "Learning by doing process." Young people went to the center in Anderson from PHHS and with other high school students we helped to organize into a corporation. They had the power to sell stock, decide on a product to manufacture themselves and sell.

Ninety business adults in Madison County provided guidance and advice that was necessary. The time and energy donated by these adults totaled more than 5,000 man hours.

After 2-30 weeks these companies hoped to return to the stockholders their \$1 investment plus a dividend.

The companies elected six officers: President, Secretary, Treasurer and three Vice-Presidents in charge of sales, manufacturing and personnel. They all helped to lead the company toward a very profitable position.

Other members of the company worked to process and complete whatever the company's product was.

Some rush about in preparation
 Some struggle to be nearest to the gate.
 Some climb to be at the highest place.
 And yet,
 we shall all be born
 All will move about
 In time
 And space.

Leonard Nimoy (Mr. Spock of Star Trek.)

SOUTH MADISON COMMUNITY BOARD OF SCHOOL TRUSTEES-Earl Cousert, Superintendent, John Fatzinger, Vice-President, Merrill Stohler, President; Charles Gaus, School Attorney. Row 2: Albert Stewart, Secretary; Ralph Gustin, Voss Purkey, Robert Elsbury, John Cox, Charles Mock, Assistant Superintendent

Superintendent Mr. Earl Cousert, with SHA members throughout the year, has been working with the School Board for successful educational opportunities.

Assistant Superintendent Mr. Charles Mock, handling the duties of the Superintendent. He continues to work hard, which is quite a task with another cold, snowy winter.

Dr. Steven Timler joins us this year for an enthusiastic school year filled with spirit and success. He has encouraged interdepartmental cooperation and attends department meetings. Establishing contact with students as individuals has also been a plus for Dr. Timler this year.

Mr. James Crosley works in an administrative capacity as Vice-Principal. He is in charge of curriculum and curriculum development. Time is spent on scheduling of day and night classes, guiding faculty and students into successful educational endeavors and with accurate reporting of student evaluation through grades. His voice has daily been heard giving announcements about school activities.

Mr. Roger McCarty, as Athletic Director has the responsibility of scheduling athletic events and then rescheduling them when the weather upsets things. He also directs extracurricular activities, coordinates field trips and basic coordinating activities of his position. Fred Perry works as his assistant and Dennis Wallace is an assistant in charge of girls athletics.

Mrs. Judy Renbarger works in an administrative capacity as Dean of Girls. She is a counselor, gives guidance to students, helps in the attendance office and spends time assisting with scheduling.

Mr. Steve Custer works in an administrative capacity as Dean of Boys. He directs and coordinates attendance policies, handles locker assignments and helps us with parking lot stickers for our cars.

Mrs. Peggy Rogers with her son, a member of the
 Dr. J. H. Phillips. She also has a part-time job at the
 Public. Mr. Rogers, Mrs. Rogers and her son are a very
 good family who are very active in the community.

Mrs. Julia Wilcox and Mrs. Stig are very active in the
 community. Mrs. Stig is a member of the
 and has a job of keeping records for the
 Jones.

Mrs. Croxton is girls' counselor and handles most of the scholarship aids. Mr. Hoover as Head of the Guidance Department works as boys' counselor and corporation-wide testing.

Mrs. Hazel Giering works as a teachers' aide along with playing the piano for the choirs and assisting Mr. McKean. Mrs. Jean McCain as nurse takes care of medical needs and records for PHHS, Markleville and Fall Creek Schools. Mrs. Lynn Reser Towne began as personal secretary to Dr. Timier in January.

Seniors ...Seniors...

WE DREAM OF YESTERDAY...

Kindergarten 1966

BUT WE LIVE

Senior class standing on the beach in this photo by Dorothy Johnson. The photo is a favorite of many seniors as shown in these photos by Craig Frog. (caption)

...Seniors... Seniors...

...AND OF TOMORROW...

Seniors attending Fenwick Heights for four years

FOR TODAY !!

Class of '78 states: It was the busiest year of all!

This year began the same as the last three years had for the Seniors except for the added anxiety caused by thoughts about graduation. "Being a Senior at PHHS was the greatest thing that happened to me since I was a first grader," was also running through everybody's minds.

There were always things to do because every Senior wanted to give his or her best as there wouldn't be a "next year." Bleacher Bums involved many of the guys who weren't playing

the sports and Bum-Ettes involved the girls who weren't in Pep Club. The NHS inducted 17 new Seniors and Beta Club had many active Senior members.

Every Senior really got anxious when they ordered graduation announcements, got measured for caps and gowns and when they voted for the class flower and motto. The month of May got closer and they realized that they wouldn't see all of their classmates the next fall.

When May finally arrived everyone knew pretty much where they were going and what they had to face. As Seniors, we felt ready.

On May 23 the "Class of '78" walked into the gym as anxious Seniors awaiting the flip of their tassels. Fully aware that when they walked out of the gym for the last time as students, that they were on their own and the world was now theirs. Each of us could "make it" or "break it."

JUNIOR OFFICERS STEERING COMMITTEE AND SPONSORS *Row 1:* Steve Swope, Jami Gwin, David Cloud, Cindy Huffman. *Row 2:* Miss Leila Czarnocki, Kim Dunwiddie, Andy Koffe, Paul Morrellon, Debbie Grace, Mr. George King

We Juniors started the year off well by working together and winning 1st place with our float entitled "May The Force Be With You." Since 1st places had eluded us for two years we finally believed the saying—"The 3rd Times a Charm!"

Being a Junior opened so many more fields of academic study. For example, we were able to choose from a variety of phase elective English classes.

Another opening was social, as we also joined clubs that taught us leadership, salesmanship and responsibility. Juniors were added to the memberships of both National Honor Society and Beta Club showing our academic achievement.

The biggest challenge we faced was planning the '78 Prom. Everyone was scared things wouldn't turn out, but yet ready and willing to work. The prom was a success and enjoyed by all.

The greatest moment of the year though, was when the Seniors flipped their tassels and our first dream of many came true—we were Seniors!

THE SINGING SOCIETY
1914

All my past life is mine no more,
The flying hours are gone;
Like transitory dreams given o'er,
Whose images are kept in store
By memory alone.

Earl of Rochester

As sophomores, Class of '80—We're on our way!

Well, here we are big sophomores. Our first year went quick. Our class officers for this year were: Terry Warrum, Pres.; Kathy Hodson, Vice Pres.; Denise Killinen, Sec.; and Kim Brown, Treas. The steering committee members were Kathy Kline, Allen Craig, and Ruth Eisenbise.

To start out the year we worked really hard on our homecoming float being the first class to ever have a self-propelled float—second-place fin-

ish. Our class rings came the first week of December, and everyone was pleased with them. We worked hard on our magazine sales and did a good job. We also worked very hard trying to get things ready for next year's prom. We feel it is really going to be great.

In sports our class did very well. We had sophomores lettering in all the sports and have big hopes for our many athletes.

It seems funny that we were sophomores, and only yesterday we started the first grade. Through the years we have all come together and made a group—we have become more than a group, we have become friends. We have played, learned, laughed, cried, and grown together for the last ten years. We only have two years of school left, but we have a lifetime of friendship and memories.

Sophomores living sets on stage

A photograph of a large, multi-story building at night, illuminated by streetlights. The building has a sign that reads "PUT EM BACK WHERE THEY BELONG". The sign is white with black lettering and is mounted on a dark structure in the foreground. The building itself is dark, with some windows lit up. The overall scene is dark and grainy, typical of a night photograph.

Row 2: Jeff Webster, Sponsor Tammy J. L. in Scott Keller, Dolores Schug, Marcia Klakamp-Sponsor

Great news; "Freshmen Take High School by Storm"

It happened in late August at 8:15. When it broke loose, some thought it was a floodlike calamity, but they were wrong, it was the class of "81". The Sophomores, Juniors, and Seniors all took a step aside to let the great Freshman class, the class of "81" make their way into Pendleton Heights High School history books by having the largest number of students to come through the school with 351 frosh.

Our great class sponsors were Marcia Klakamp and Jeff Webster. Our class officers for the 77-78 school year were Class President—David Stader, Vice-President—Pat Caldwell, Treasurer—Phil Rhule, Secretary—Kim Mitchell. The Steering Committee was

Curt Torrence, Bill Rankin, Chris Rhule, Darren McKean, Tammy Julian, Delores Schug, and Scott Keller.

The step from junior high school to high school was probably the biggest step for most of us. For one thing we were able to have candy and also have choices of which classes we'd like to have. We were required to take English, Physical Education, Math, and Science.

The biggest thing was just being able to say I go to Pendleton Heights High School. Another thing is just thinking: Boy! I can get the Freshmen next year like the upperclassmen got me!

Just about every Freshmen dreads:

the day when Sophomores get their class rings; when Juniors and Seniors can attend the prom and especially the night in the gym when Seniors go through commencement exercises.

We marvelled at the many opportunities to spend money: class dues, holly, candles, lunches, books, school supplies, bake sales, spirit buttons, tee shirts, magazines, fruit, jewelry, candy, and on and on. Of course, the best opportunity was being able to buy this 1978 SCIMITAR!

We are looking forward to finding success in our classes, in sports and in the clubs we joined throughout our remaining years at Pendleton Heights High School.

BLIZZARD

1978. The year of the great snow. Indiana and surrounding states were hit heavily by Old Man Winter. But the snow really was great for area schools because they got out of 16 days of school. Let's heat it for Old Man Winter!

The Blizzard of '78 closed Delco-Ramco plants down for the first time in fifty years and it virtually closed down all other businesses in central Indiana. Bread, milk, and other necessities became scarce as people bundled up and walked to the stores to stock up on food. But you didn't hear PHHS students complaining; they just made the most of it all and enjoyed the unplanned vacation.

(Photo credits: Anthony Brewer, Pendleton Times and Brian McFadden.)

CREDIT UNION CAPERS! starring:

In the showroom held me star-struck "Want it?" I exclaimed "I have to have it! Financing? Oh, anything you can arrange, just so I get that car!"

Well, that was a couple of years ago but I can still remember the chewing-out I got from Petty Cash (my credit union manager/girlfriend) when she found out I'd agreed to pay 36% Annual Interest on my auto financing! (It seems I could have had a 12% loan from the credit union) Which does bring me to the point *you always have to consider the cost of credit in anything you buy*

Next time I buy a car (I'm still trying to pay for the DeSoto) I'll know where to go for financing

We made the crank a classic.

By getting rid of it.

We're Delco Remy. The automotive electrical people.

In the years that have passed since we turned the crank into a relic, we've been busy

Building Delco batteries

Delcotron charging systems

Electric starters

Ignition systems

And just about everything else in your car that's electric.

As a matter of fact, today we're the world's largest producer of electrical systems for cars, trucks, buses, farm tractors, construction vehicles, boats, garden tractors . . . well, you name it.

Big deal, you say. Who thinks about electrical systems?

Hardly anybody. We build them to work so well nobody has to

HOLD FAST TO YOUR
DREAMS
FOR YOUR WINGS
ARE NOT BROKEN

THE SKY IS WIDE OPEN
JUST FOLLOW YOUR
DREAMS AND YOU'LL

FLY.

The Road goes ever on and on
Down from the door where it began
Now far ahead the Road has gone,
And I must follow, if I can,
Pursuing it with eager feet,
Until it joins some larger way
Where many paths and errands meet.
And whither then? I cannot say
